Re: Frontier Stone Quarry Draft Environmental Impact Statement
Town of Shelby, Orleans County
DEC Application No. 8-3436-00033/00001

Dear Ms. Cooper:

Thank you for your willingness to assist the New York State Department of Environmental Conservation (DEC) in making the enclosed Draft Environmental Impact Statement (Draft EIS) available to the public.

Your facility has been identified in the Draft EIS acceptance notice (also enclosed) as a location where the Draft EIS can be viewed by the public during normal business hours. Please retain the Draft EIS at your facility as a reference copy, not to be loaned and taken off-site. Please also note that your staff is not expected to answer questions or interpret the Draft EIS, or to make copies of any portion of the Draft EIS. Portions of the Draft EIS may be copied on-site by individuals who wish to use, at their own expense, whatever equipment you may normally make available for such use. In addition, there is a CD containing a full electronic copy of the Draft EIS that may also be used by patrons. These electronic files may be copied, or persons can request their own CD by writing to me at the above address or contacting me by e-mail at sesheele@gw.dec.state.ny.us.

Again, thank you for your assistance in making this document available to the public. If you have any questions about this information, please call me at (585) 226-5382.

Sincerely,

Scott E. Sheeley
Regional Permit Administrator
