DEC Application No. 8-3436-00033/00001

Dear Mr. Brown:

Dudley Loew has recently been in contact with you about the adjudicatory hearing determination date for the above-referenced project. As discussed with him, we understand that your client is willing to grant their consent to extend the time frames in 6 NYCRR § 621.8 for the Department's decision to hold a Part 624 adjudicatory hearing to December 15, 2014.

While we understand and appreciate that you conveyed your interest in this Uniform Procedures Act time frame extension in your phone call to Dudley Loew yesterday, your client's consent as the applicant is requested by providing their countersignature on page 2 of this letter. Once countersigned, please have a copy with the original signature returned to me at the address above.

If you have any questions about this request please call me at (585) 256-5382. We look forward to your response.

Sincerely,

Scott E. Sheeley
