RE: Notice of Completion of a Final Environmental Impact Statement
DEC #8-3436-00033/000001 and /00002
Frontier Stone Quarry, Town of Shelby, Orleans County

Dear Mr. Mahar:

The New York State Department of Environmental Conservation, as Lead Agency, has completed the Final Environmental Impact Statement (FEIS) for the above-referenced project. The FEIS, without the Appendix 1 Exhibits, is provided with the electronic transmittal of this cover letter. The hard copy transmittal of this letter will include a hard copy of the FEIS, without the Appendix 1 Exhibits, and a CD containing the electronic Appendix 1 Exhibits.

The issued FEIS also needs to be posted on a publicly accessible website. Based on our conversation with your consultant, the FEIS is to be posted on the following website: <http://www.continentalplacer.com>. This is the same website used to post the DEIS. Please post the documents as provided. Once posted on-line, the FEIS must remain posted until one year after the agency's final decision on the proposal. The Department will also provide notice completion of the FEIS in the Environmental Notice Bulletin, in accordance with 6 NYCRR § 617.12.

As noted on the cover page of the FEIS, agency SEQR findings and permit decisions must await the passage of a minimum 10-day period in accordance with 6 NYCRR § 617.11(a), which is October 13, 2017. After this date, the DEC anticipates issuing SEQR findings and agency decisions.

By copy of this letter, and in accordance with the distribution requirements in 6 NYCRR §617.12(b) we are also providing this notice, a hard copy of the FEIS, and electronic copy including the Appendix 1 Exhibits to SEQR involved and interested agencies, as noted in the distribution list on page 2 of this letter

Please contact me at 585-226-5382, or by email at scott.sheeley@dec.ny.gov, if you have any questions relating to the status of this application or the information contained in this letter.

Thank you.

Sincerely,

Scott E. Sheeley
Regional Permit Administrator
